

## GOI Operator/Packer (Seasonal)

Located in Allansford, Great Ocean Ingredients (GOI) is a joint venture company between Warrnambool Cheese and Butter (WCB) and Dutch dairy company FrieslandCampina Domo. This position provides an exciting opportunity to work as part of a close knit team in a world first production plant, processing raw material from WCB into the prebiotic galacto-oligosaccharides (GOS), a nutritional and functional ingredient.

Expressions of interest are sought for the position of Seasonal Operator/Packer within the GOI Plant. As a seasonal employee, you will be working a 6 and 2 roster to provide shift coverage across the 24/7 operations of this plant.

Reporting to the GOI Leading Hand, you will provide general assistance to ensure the efficient and safe operation of the GOI processing plant.

### **Duties:**

- Operation of processing plant equipment;
- Ensuring all occupational health and safety and hygiene regulations are strictly adhered to;
- Accurate sampling, testing and monitoring of raw treated and finished product during production runs;
- Accurate documentation;
- Packaging and dispatching the finished product each day as per procedures;
- Performing any other duties as directed by the GOI Leading Hand or Production Supervisor.

### **Essential Criteria:**

- You will possess well developed interpersonal skills.
- You will have an eye for detail.
- You are Food Safety and OHS focused.
- You are highly motivated and reliable.
- You are comfortable with computer systems.
- Forklift Licence Desirable.

### **Employee Benefits:**

- Employee Discounts on Company Products
- Training & Development Opportunities
- Employee Share Ownership Plan

If you believe you have the necessary skills and experience to meet the above requirements we would like to hear from you. Please submit your application to:
