

Electrical Supervisor

Established in 1888, WCB is a subsidiary of one of the world's largest dairy companies, Saputo Inc. We are one of Australia's largest milk processors at the forefront of the Australian dairy industry and a dynamic business. We sell high quality dairy products to local and export markets and are well-positioned for continuing growth and development through innovation and investment.

We are seeking a qualified and experienced Electrical Supervisor to join our Maintenance team at our Allansford site. Reporting to the Maintenance Manager, you will be responsible for the co-ordination of all electrical maintenance tasks along with forecasting and planning of electrical activities and ensuring contractors adhere to site Electrical/Automation standards.

Duties:

- Supervising and managing the day to day activities of electrical personnel and contractors;
- Assisting in the fault finding of complex problems;
- Assisting the maintenance and engineering departments in forecasting capital items for reliability/upgrade improvements;
- Ensuring job clarity of roles and goals for electrical contracts, and balanced delegation of tasks and activities amongst staff;
- Fostering development of staff and contractors, including providing recommendations on training requirements;
- Taking a pro-active role in promoting occupational health and safety across all activities to ensure all occupational health and safety regulations are strictly adhered to.

Essential Criteria:

- Demonstrated experience within a supervisory capacity.
- Excellent knowledge of electrical and automation operations within a manufacturing environment.
- Possess strong forward planning and communication skills.
- Demonstrated people management experience including your proven ability to support and foster a cohesive work team.
- Experience in problem solving/troubleshooting utilising PLC/SCADA software is essential.
- An Electrical Engineering degree would be desirable, however candidates with extensive electrical/automation trade experience will also be highly regarded.
- CMMS experience with a preference for (SAP Experience)

Employee Benefits:

- Employee Discounts on Company Products
- Salary Sacrificing
- Training & Development Opportunities
- Employee Share Ownership Plan
-

If you believe you have the necessary skills and experience to meet the above requirements we would like to hear from you. Please submit your application to:
