

# Operator Lactoferrin

Established in 1888, WCB is a subsidiary of one of the world's largest dairy companies, Saputo Inc. We are one of Australia's largest milk processors at the forefront of the Australian dairy industry and a dynamic business. We sell high quality dairy products to local and export markets and are well-positioned for continuing growth and development through innovation and investment.

We are seeking a qualified and experienced Operator to join our Lactoferrin team at our Al-lansford site, on a Full Time Basis working 12 hour shifts on a 7 day rotating roster (3 on, 3 off). This position will report to Production Supervisor – Butter, Lactoferrin & Milk Receival.

The Lactoferrin Operator will be responsible for receiving incoming milk and preparing for distribution to internal and external customers.

## **Duties:**

- Operate, monitor and control the plant in a safe and efficient manner
- Manufacture finished goods to customer specifications
- Adhering to established OH&S and hygiene procedures

## **Essential Criteria:**

- Production experience in food and/or dairy manufacturing
- Ability to multitask and manage time appropriately across multiple processes
- Demonstrate effective communication skills both written and verbal
- Be highly motivated and capable of using initiative to achieve best results
- SAP Experience will be highly regarded

## **Employee Benefits:**

- Employee Discounts on Company Products
- Salary Sacrificing
- Training & Development Opportunities
- Employee Share Ownership Plan

If you believe you have the necessary skills and experience to meet the above requirements we would like to hear from you. Please submit your application to:
